

**CENTER FOR LEADERSHIP DEVELOPMENT
2018 SPONSORSHIP OPPORTUNITIES**

From the President

DEAR FRIEND,

You are invited to participate with us in a vital mission: to advance minority youth as future scholars, professionals and community leaders. We ask you to partner with us during 2018 to provide these under-served young people with inspiration, nurturing and instruction in our Five Principles for Success: Character Development, Educational Excellence, Leadership Effectiveness, Community Service and Career Achievement.

With the valuable support of our sponsors, we can continue to offer, as we have over the past 40 years, experiences that encourage college and career success. Our values-based programs include after school and Saturday programs, workshops, academic and family counseling and tutoring services, all at little or no cost to those served.

Please review the opportunities enclosed, and consider how you might come alongside the Center for Leadership Development in our mutual efforts to prepare minority youth for the highest level of achievement.

Yours for the development of youth,

Dennis E. Bland, Esq.

WHY SUPPORT CLD?

For 40 years, the Center for Leadership Development (CLD) has served as a beacon of college and career readiness for families in Indianapolis. Our mission is to foster the advancement of minority youth in Central Indiana as future professional, business and community leaders by providing experiences that encourage personal development and educational attainment. Our vision is to establish CLD as one of the most preeminent centers in the nation for inspiring the highest character and leadership skills, and the highest academic, college and career achievement in African American youth.

CLD's Principles for Success are the core values which we believe are fundamental to developing youth and preparing them for life long success: **Character Development, Educational Excellence, Leadership Effectiveness, Community Service and Career Achievement.**

CLD delivers values-based program experiences, academic and family counseling, tutoring and classroom leadership by college-educated professionals and college readiness workshops at low or no cost to students, parents and guardians and adult learners. This holistic approach distinguishes CLD from other youth serving organizations.
